This Rider to existing contract between A.P. and H. Weisberg is hereby Agreed to. py 7/17/70 Dear Gary, Your letter of the late, with contract, errived today. I returned the signed contract derevies, but there are some exceptions that are unevolveble only because of existing conditions. I list them below. I presume, from booting ms and the style of my life and affairs, you will understand them. There is a carbon of this letter also enclased. If it is agreeable to you, rether then going to the trouble of craftiage a new contract, why not initial that carbon and return it to us as acceptance of these things, of they are seem table to you? 1. The exclusive provision is akey and for all practical purposes is must it will be, He ever, - have an existing agreement, non-each fvo, with the Enston agency that has turned off, as I explained to you. For its Juration, cannot then bork me. I month have to eccept such a boulding. I do not expect it, have no remon to, in will not remove that approximate. It has been so long office I've wonth from them two forgother their name, on I can't even look the contract up and each you a cony. They have not jet books, he (non other, level). I report this offer has perfectly they will not book us, but there coming the renote possibility. In falls, a superful commercial publication of a book as an distaring on a second that, if neroed to, will be done tory that and with a big publisher. - presume neither would conditet, but wend. I not name to accept their or, efforts? I presume they's work with you, and I'd tell their of you, but I less experience here and again, report it becomes of distinct be expected of me. Z. Mer the first comple of symmetrance, I'll undoubtedly here to have my expanses advances in some manner, unless by them I got a directle offense and hall some back from the bear, to which " over more than any moseible advance. Once I have some income from this, I'll keep elough for tronsportation in reserve. Now I lave no reserves. Or even funds, that eshience: as you know from your can arperience, semethers I make and restly have to make unselected, ad lib broadcasts from home. These are more in the return of save then "performances", but I do not want to be in temptical violation of the expensent. I have realis friends the consult no regularly, sir we less regularly. If was would like on to phone you whenever I know in advance of another thing, I can, but as you also know, usually by like the knowledge to when I hear the besper, also, there are a few, went few, local and other friends for when I infrequently make minor ep ear noss, without fee. I will not agree to any for may except through you. They? 12. I cannot egree that seed month I'll not forget or will have time to inform you what dates I'll not be available, especially with the opening echangled litigation, however, the reverse is no exect. I'll knew a calendar by the phone and be able to tell you immediately if any date is not obey. These court motters are out of my control and beyond my appolication, as are conferences with publishers, etc. However, once I have a date set for an appearance, I can work around that, with both courts and publishers, for this is normal. You included no copy of the agreement for me. I forgot the Weskington Post story on the Ray case. It is enclosed. A "New Orleans Review" (Tulane or Loyola) review is enclosed, too.

It is by a lit p of at whichever school. Perhaps you'd like to quote parts of it. There is a Playboy review, with major attention, as I recall, to "Six Seconds", in which Eric Morden said some sice things. Gary should have it. I can't find the coly I had, probably having losned it out. But if I can locate it later, I'll enclose it.

At this functure, I do not taink you'd want to use the West Bost 3/3/67 story enclosed, but you judge.

A switch: The New York Times greated my books not with reviews but with lengthy news attentional, unh and of for private publications and not econom for any except a few books of olitical content. Two enclosed.

The variety 11/15/55 story is an understatement. That was the first onecan TV special (first red on rk), scheduled for 20 minutes and leating 2:20, with me against a starked suction a, of which and not been informe, let by four lewyers, who required about 1:45 to dearn that silance is golden. It got the stations top ratings ever and made burks into agreeables he isn't.

Lex lerner has more shoulders then enyons. I've muched a few of his con ents about me you might was to use a la movie blurbs, like, "...the stuff of great documentary literature...puts all the hop-cet nov lists to shout, or the reference to his "delignt" at the "documentary portarity".

Tayle you can use me from the Wall Street Journal lead.

haybe excerpte from the 5/10/67 london Pines to sme ful.

As I told you, I've est no "puff" file. I've though of a few things you can use, some without et ribution, for I neve no such merals sion on could not sek it. [Example, Osvin, who you could note see describe in general, es one of the ken closest to JFK", or one of the generals, etc. his words to ferring to one of the booke is " uits a remarkable gaper". I think this was the limiteded tion, REE MATTER. I my work as suit, "You are performing a great public services in publishing such of that meterial which would other iso remain unseen"/

Jost of my dealing with media people were by phone. In early latter from Joe tolen, after the first show I did with him, is not suitable for reproduction, but it can be excepted (he is slep at Mio now). However, with his following and retinge, for his to say what to first graph says is something. In order you want to use excepts in facstnile, I've copied one with his signature not on the ride.

One of the few cases of any correspondence with the inversities, eside from confirmations, is with Vermont, and osed. I mentioned this to you. It was their most successful meeting, even in compatition with their annual snow cernival.

The enclosed NAW letter is from thet year's head of the Ohio Mens Directors' Convention. It was the first time they had necessed of lesser rank than an assistant secretary of State. They maked me to tengle with them and I did, taking on the miols range, after a prepared (my only such) speech, from drunken, sycophentic reporters to the East e itors. This guy got clobbered by menagement, but wrote a quotable letter. If you want, return cory and I'll send o isinal.

All the pictures I have of me are enclosed. The 5x7 print is the only dups. The others I head back, whenever you have finished with them. Gary may have gotten some good ones of me when I was there. Or he may know those who did, inc. newspapers and TV stations. I had a press conference. I think some of the TV shows alson used film, still and motion. Again, he might know... Mushing to make mail,
